

E **change 5**

The logo features a large, bold, black letter 'E' on the left. A red and blue ribbon-like graphic loops around the 'E' and extends to the right. Above the 'change' text, a blue arc contains five yellow stars, similar to the European Union flag. The word 'change' is written in a dark blue, lowercase, sans-serif font, and the number '5' is in a larger, bold, blue font. The entire graphic is set against a white background with light blue and red motion lines.
